Very nice home for sale by owner in Hempstead, TX sitting on large 1-1/2 lots. I am the second owner and have owned this home since 1984. It is backed up by wooded areas that my kids had a great time exploring in and is within 1 mile of the high school.

2324 sq ft. Shortly after buying the house, we converted the garage into a 4th bedroom. This 4th room does not have a closet.

The home is available immediately. I will add additional pictures early next week. Contact Shad @ 713-614-0993 for more info.
